

NOMAS® International

It's all about feeding!

You have ordered some, or perhaps all, of the 8 informative articles related to the **NOMAS® ONLINE: Day 1** class authored by Marjorie Meyer Palmer.

Or, you may have ordered chapter 5 of the “Feeding in the NICU in Effective SLP Interventions for Children with Cerebral Palsy” book.

Anything that you’ve ordered will be emailed to you by Marjorie to the email address you use to login.

If you have any questions or concerns, you can contact NOMAS at marjorie@nomasinternational.org.

Thanks!
